

RUSHIN HOUSE CARAVAN PARK

COVID 19 Restrictions

Welcome to the 2021 season, it is great to be meeting & greeting our guests again.

All guests & staff have a part to play in ensuring that Rushin House is safe and remains COVID free.

If you or any family member are experiencing coronavirus symptoms you must NOT visit the site in line with government guidelines.

Rushin House's primary concern is the safety & wellbeing of our guests and staff. To ensure that this is achieved we have changed some of our normal processes and procedures. Unfortunately, this means that we will not be able to offer our usual full range of facilities.

Our facilities block is open with some restrictions. However, as the guidance and rules are updated this may change. All other facilities, on site, remain as normal.

The person, who makes the booking, is responsible for ensuring that the individuals in their party complies with the Covid Rules & Guidance.

Please note we are **not** accepting booking for Tents.

When on site

- **Masks must be worn in reception and the facilities block.**
- Wash your hands regularly with soap & water for 20 seconds.
- Use the sanitisation points provided.
- Social distance with other guests and our staff all times.
- Comply with all signage.
- If you or any of your family experience COVID symptoms, then contact us immediately. Do **NOT** leave your van and wait for instructions.
- All day visitors must report to Reception and provide contact details.

We hope that your stay at Rushin House will be enjoyable and that you have a great time here. However, the health and safety of our guests and staff is our priority and we ask you work with us to ensure this is achieved in these challenging times. If you have any queries or need any further information, please do not hesitate to contact us.
